

## WHW Rate Estimates

Willamette Health & Wellness

Below are WHW rate estimates if you are not using in-network insurance. These are general estimates. Visit fees may be lower or higher depending on the content, complexity and actions taken on behalf of the patient outside of visit on that day.

**Disclaimer:** National standards for coding PMHNP visits are not always based on time (Even though time is listed below as an estimate of length of time of a scheduled appointment, this is not the sole determinant of how a visit is required to be coded by national guidelines).

Type of Appointment	Additional Description	Estimated Costs
First visit with PMHNP		\$345-\$500
First visit with Masters Level Therapist		\$285
Follow up medication visits with PMHNP	Generally scheduled for a 25 minute appointment and may vary in actual length of time spent with the patient.	\$152-\$280
	Generally scheduled for a 40 minute appointment and may vary in actual length of time spent with the patient.	\$225-\$435
Follow up combined therapy and medication visit with PMHNP	PMHNP may schedule for 30-50 minutes and may vary in actual length of time spent with the patient.	\$300-\$435
