Speaker: Adria Goodness, CNM, PMHNP

Topics Covered will include:

- Hormones, Mood, Pregnancy
- Evaluation of Common Psychiatric Presentations in Women of Childbearing Age
- Maternal Psychiatric Treatment: Informed Consent, Ethics, and Pharmacology
- Antidepressant Safety for Pregnant & Breastfeeding Women
- Evaluation & Management of Bipolar & Psychotic Disorders in Reproductive Age Women

Location:

Lloyd 700 Building
700 NE Multnomah St., Portland, OR 97232
3rd Floor Conference Room

Thursday May 19 8:30am – 4pm

Friday May 20 9am – 4pm

****IMPORTANT NOTE:**

Day 1 content is appropriate for all mental health professionals (including counselors, therapists, psychologists, social workers, PAs, NPs, and physicians) who treat women of reproductive age. Day one is a prerequisite for those medical providers attending day two.

Day 2 content geared toward PMHNPs and Psychiatrists.

Space is limited. This training is designed to be interactive and will have a limited number of participants.

Continuing Education: *This program is approved for 9.67 contact hour(s) of continuing education (which includes 6.0 hours of pharmacology) by the American Association of Nurse Practitioners. Program ID 1510473. This program was planned in accordance with AANP CE Standards and Policies.*

Cost: \$375 for full workshop. \$175 for day 1 only. (Early Bird registration by April 1st, \$50 discount.) Additional charge for paper copy of materials provided; inquire when registering.

To register please contact Debbie Atwood at 503-729-1380 x105 or email classes@whwpdx.com
